Dedication

As we look back over the many years, it seems only fitting that we dedicate our annual to those who have helped us most. With an ever present guiding hand they have shown us the way.

Soon we will go our separate ways, but we know that their love will follow us always.

So it is with our deepest love and appreciation that we the Senior Class dedicate this 1959 Hi-Lites to you, our parents.

Class History

In the month of September, 1955, forty sad looking students moved slowly toward the Freshman homeroom. We all breathed a sigh of relief for we realized we had finally made the grade — we were now Freshmen. This would be the first of the last four rungs in our "school ladder" in our effort to reach the top. We had no initiation, but slowly we began to take on the appearance of high school students. Under the guidance of our homeroom adviser, Mr. Dornbrock, and our class officers, Ronnie Kenreich, President; Nancy Baird, Vice-President; Iva Shoff, Secretary-Treasurer, we began our new life. Everyone's thoughts were turning more and more toward various ways through which we might raise money to cover the expenses of our future Senior trip.

As we entered upon the next rung of the ladder, our Sophomore year in 1956, we had full knowledge of what high school really was. This year our homeroom life was under the leadership of Mr. Dornbrock and the feminine part of our class, for our class officers were: Nancy Baird, President; Iva Shoff, Vice-President, and Mary Hoprich, Secretary-Treasurer. Our life was filled with both athletic contests and social gatherings.

In the fall of 1957 we entered our Junior year with the anticipation of looking forward during the year to that rung of the ladder. Mr. Pucci, our homeroom adviser, supervised the choosing of our class officers who were: Nancy Baird, President; Gary Olin, Vice-President; Mary Hoprich, Secretary; Ronnie Kenreich, Treasurer. Before a week had gone by there was a class meeting to choose our class rings. After much discussion, a particular design was agreed upon. Many long and exciting hours of enjoyable work went into the presentation of our play "No Boys Allowed" under the direction of Mrs. Horm. For activities for raising money we chose to have a stamp drive and a paper drive. Both turned out very successfully due to everyone's undivided co-operation.

The big year had arrived and we were dignified Seniors at last. It also meant we had reached the top rung of our "school ladder". We presented a play "It's Great To Be Crazy" directed by Mrs. Horm. Our many thanks to Mrs. Horm for relinquishing her time to direct our Junior and Senior plays. We were fortunate to receive the football concession stand and the basketball concession stand. Both were a great help to our class. For our Senior year we retained our previous class officers. We had a class meeting to decide where to have our pictures taken. The lucky man was Mr. Dimit. Some of the boys said that they just had to have their pictures taken over again! Could it have been because of that receptionist? Our pictures arrived shortly after Christmas and the by-word became "May I have a picture?" The warmth of spring crept upon us and soon we saw Baccalaureate past. On Commencement night we transferred our tassels from the left to the right side, as we received our diplomas, our reward for twelve years of study.

This is just the beginning of the history of the class of 1959 as we go to seek our respective places in the world; knowing that some will be content to stay at the top of their "school ladder", while others will climb still greater ladders in this world of opportunity.

Psalm 100

Make a joyful noise unto the Lord, all ye lands.
 Serve the Lord with gladness; come before his
 Presence with singing. Know ye that the Lord he
 Is God: it is he that hath made us, and not
 We ourselves; we are his people, and the sheep of
 His pasture. Enter into his gates with thanks-
 Giving, and into his courts with praise; be
 Thankful unto him, and bless his name. For the
 Lord is good; his mercy is everlasting; and his
 Truth endureth to all generations.

Our football team had an average season this year, starting out with a big 22 to 0 win over Waterford-Fairfield and ending with screechers; a 0-6 lose to McDonald and a see-saw battle win of North Lima 28-22. The record for the year was 3 wins, 5 losses and 1 tie. The opposition scored a total of 126 points, we scored 106 points. The team will lose 4 senior starting line men this year, but should do better next year.

Basketball was about the same story, the main problem being there wasn't

enough experience in the first five. Mr. Proverbs will have 4 of his 5 starters back and should have a very good season next year.

The track team and baseball team should do very good this year. The baseball team has quite a few boys with experience and Mr. Pucci doesn't like to lose. Mr. Frankland and his track team have a good chance to win the county title, because the team didn't lose any members with last year's graduation. We wish them all the best of luck.

Columbiana

IV 2-4235

Makes you feel pretty important, doesn't it? You've come through twelve rough years of books and report cards, detention periods and childish ways —to find your future staring you smack in the face.

It's such an uncertain future — filled with nuclear fission and speeds faster than sound . . . big frightening hassel in the U.N. and trips into outer space.

But the most important thing is that this future we're talking about is YOU! You'll make it or break it, keep the peace or fight the wars, harness the atom for good or use it to kill and maim.

Through your college years, into your professions and the homes you will build . . . our best wishes go with you, Graduate — We're depending on you!
